

to Class 4

# What is Class 4 all about?

Class 4 is about getting ready for the big transition ahead.

Lots of work and high (but realistic) expectations with lots of opportunities and fun along the way!

Responsibilities – around school and for themselves, their actions - developing independence.

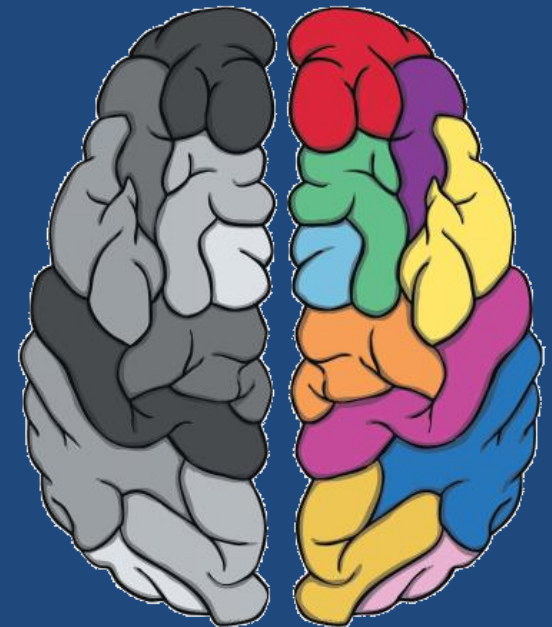

# Class values

# Growth mindset

Change your words  
Change your mindset

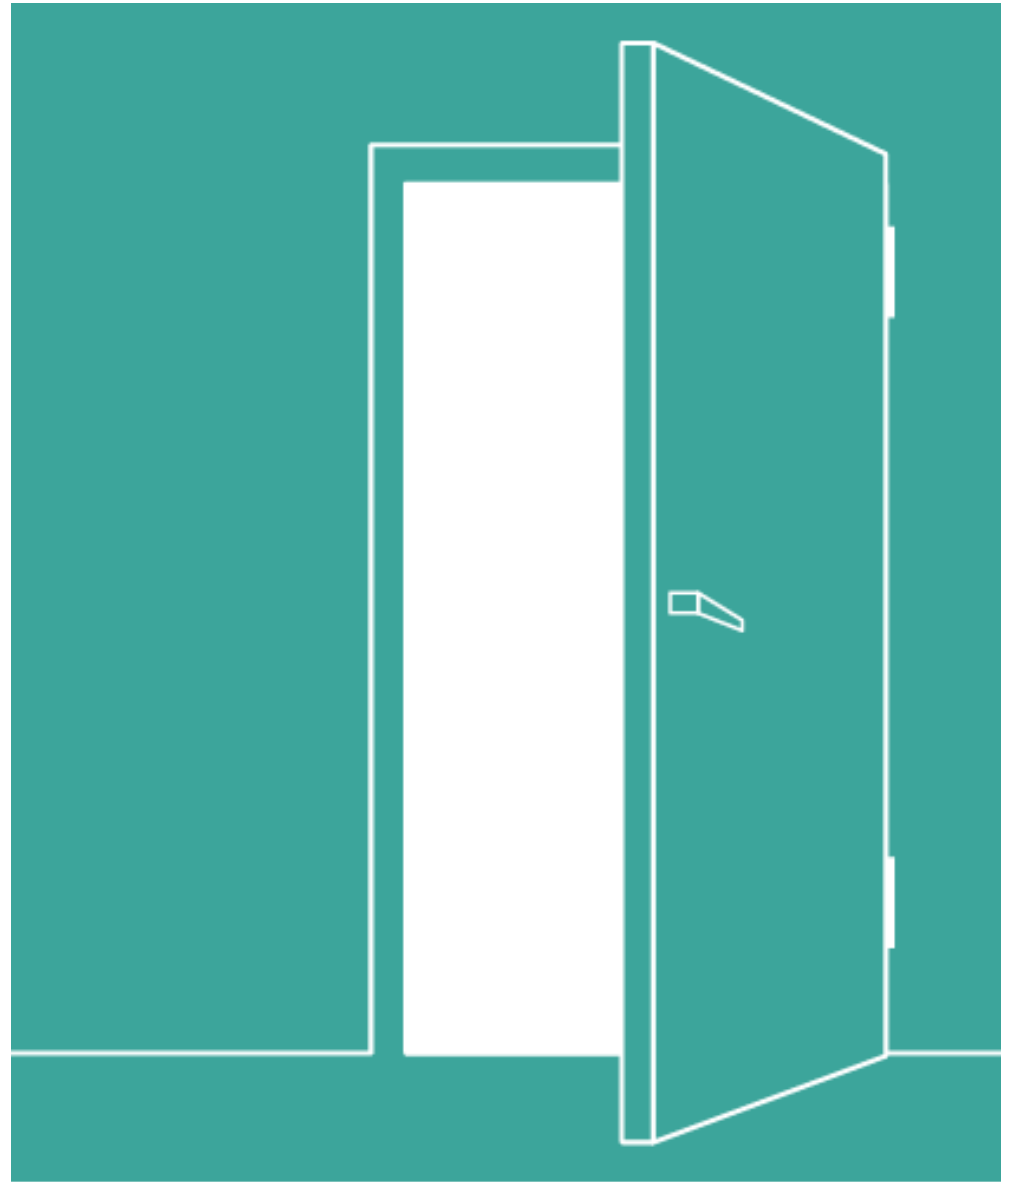

# Learning skill of the week

# Staff

I am the main class teacher Monday to Friday supported by Mrs Redmayne.

Mrs Ryder takes over on Friday afternoons to teach art and FAB and Mrs Smart and Mr Tanner will take PE on a Wednesday and Thursday afternoon.

Please feel free to come in for a chat  
(or just to bring in **cakes** and **biscuits!**)

# Timetable

Full PE kit required on  
Wednesday and Thursday.

Trainers every day for  
the Daily Mile initiative.

Autumn – Morwellham Quay  
January – Build a Viking Longship  
June - Residential

# Homework

Set on Tuesday or Wednesday and due on Monday.

It is important that children complete this (again, thinking about getting ready for transition).

Spelling – covering spelling patterns.

MyMaths – familiarisation/consolidation.

Homework Club – Monday lunchtime.

Times tables – any time spent on this would be incredibly helpful – little and often is the best way to learn the tables for instant recall.

# AR

There are AR/guided reading slots 4 days a week.

Reading range – STAR reading tests every half term to record their progress.

Quiz results and book choices are monitored.

If they are reading books from home – fantastic - all they need to do when they have finished reading is look up the book on the AR system and complete the quiz. It doesn't matter if the book isn't on AR (once in a while) – we are aiming to encourage the children to read for pleasure.

# Any questions?

(and no . . . I don't expect you to put your hands up!)
