FINAL NEWSLETTER 17th July 2020

Dear Parents,

As another year has drawn to a close, we have all been reflecting on the journey this year- and my goodness what a journey it has been. Our world has twisted sideways and changed overnight, into lockdowns and closures, bubbles and sanitiser - who'd have thought this would be the case last September? I want to say that a school like Landscape can only thrive if we remain a solid team who support and encourage each other – this is true more than ever in these challenging times. Our team comprises of staff, parents, children, governors, trustees and the local community and I wish to reiterate my thanks to you, the parents, for the support and encouragement that you have given this year. I hope in spite of the turn the year took that you feel that your child has had a good year and made progress whilst being nurtured and looked after by caring and professional staff both within school and remotely.

I would like to say a huge THANK YOU to the entire staff team for everything they have done for the children this year; for all of their efforts and commitment to the school at a time of huge challenge for all. It has been a happy and successful year in so many ways. This is reflected in the way that the children conduct themselves and how during this year, more than ever, we can see their growing independence, resilience and sense of community.

SPORTS DAY

Yep, we had a sports day! Mr Tanner held a socially distanced bubble sports day for our school. the children enjoyed a variety of activities and races where points were collated and a presentation of the Sports Day Cup and Teddy Sport took place on the field- well done to Yellow team captains Rafa and Gethin. A great time was had by all.

Landscape uses the keys to unlock the very best of us!

LEARNING THIS FORTNIGHT:

Castles

DATES FOR AUTUMN:

Non-Pupil Days on 3rd & 4th September

Children back to school 7th September (please do read my letter from this week to clarify the staggered approach to our days and the procedures for drop off and pick up.)

AND FINALLY...

Whilst it is onwards and upwards for each Class of 2020, so it is also with our school. We never stand still, and we are always looking at how we can improve and 2020-21 will be no different.

Before I sign off, I would like to offer a BIG THANK YOU on behalf of all the staff for your generosity and thoughtful comments - we really do appreciate your messages and gifts! The dedication, care and commitment of the Landscope staff is something that we take great pride in during ever changing and challenging times.

I hope that you all have a good summer break. September will soon be here, and I truly look forward to starting up another brilliant year full of new mini adventures in the autumn.

Best wishes to you all.

Jill Ryder.
