### **WELCOME BACK Friday 12<sup>th</sup> March 2021**

Dear Parents and Carers,

It was so lovely to see so many happy, smiling faces coming through the gates on Monday morning and hear how pleased the children all were to be back with their friends. I had a thoroughly lovely morning chatting to children and generally disrupting lessons whilst I caught up with each class and enjoyed your children's company! I'm not so sure the teachers appreciated my efforts quite so much 😊

#### **LANDSCOVE LEARNERS at work and play!**

*So completely lovely to see Class One back this week. They have got stuck in with some great dinosaur learning including a dinosaur fossil dig! Working together to find 'fossils' and then using the magnifying glasses to look carefully at them. Lots of chatter, collaborative work, taking in turns & sharing of equipment. The children are looking forward to making their own fossils soon.*

Miss Foster reports... "It was lovely to have the Class 2 'team' back together this week! 😊 We have made a good start on our Stementerprise Project, working in groups to complete science related activities. A particular favourite was the structure challenge - using just strands of spaghetti and 5 marshmallows. This proved tricky and very sticky!"

Do I spy some  
elephant dancers  
in class 3?

Class 4 took part in their second live lesson as part of science week and although it didn't quite live up to the excitement of the lambing live lesson, they did have robots who weeded in between crops using a laser! We had our own attempt at precision weeding, separating peas from sweetcorn using a variety of tools: the small spoon was the winning tool with the tweezers taking second place! A fiddly job!!

## ATTENDANCE AND SAFEGUARDING

Thank you for supporting our efforts with the beginning and end of days – everything is working smoothly, and we are managing to live well with our new normal.

Attendance: (Our school target is 96.8%)	
Whole school	98.91%
Class 1	97.83%
Class 2	99.25%
Class 3	99.05%
Class 4	99.05%
Well done to class 2!	

**Our designated safeguarding lead is Mrs Ryder and the deputy safeguarding lead is Miss Barlow.**

## HEALTHY SNACKS

This is a gentle reminder that any snacks that are brought into school for morning playtime need to be healthy in nature. Ideally, these will be fruit or vegetables, rice cakes, bread sticks, crackers, that kind of thing! All children in years R-2 are provided with a healthy fruit snack. Please remember we are a 'nut-free' school. Please can we also remind you that children require a drinks bottle in school daily. Thanks for your co-operation.

## And finally- MOTHERING FRIDAY

At this time of year, we would normally enjoy our Mothering Friday service; a time of year when we hope to send you home with that warm feeling of being totally appreciated. Well, we might not be in church, but we have thought of each and every one of you! Please go to your child's TEAMS page to find a film and watch your very own Mothering Friday – with love from us to you!

Have a lovely weekend – **and children...remember to spoil your Mums!**

*Jill Ryder.*
