NEWSLETTER Thursday 7th July 2022

Dear Parents and Carers,

I cannot believe how little we have left of this term~ I think we will remain busy right up to the very last minute!

An active couple of weeks...

SPORTS DAY

It was lovely to see so many of you at sports day. The weather did the honourable thing and stayed fine for an afternoon of fun. The children thoroughly enjoyed themselves and we hope you did too.

Community Sports Day: it was great to have so many of you join us for the range of sporting activities Mr Tanner had set up for our community sporting event.

Class 3 enjoyed an Adventure day at Decoy Country Park this week.

Class 3 had a busy day learning about sustainability in the Devon area, animal and plant classification along with lots of fresh air, exercise and an array of nerves and enthusiasm when we kayaked on the lake!

CLASS 4 canoe adventures

Huge thanks to Mrs Smart, Mrs Monroe, Mrs Steer, Claire & Mayumi for supporting this event. I believe it was pretty hard work rowing against the wind and the tide on the way back to Stoke Gabriel – well done everyone!

STAFFING NEWS

There will be a few changes from September.

Mrs Richardson makes a welcome return from maternity leave and will be covering PPA for classes 2 and 3 – which means she will be teaching for ½ a day a week in these classes.

Miss Kearle also joins us again after her maternity leave. She will be working in class 1 on Tuesday & Wednesday. Which means a change in hours for **Miss West** who will continue to run breakfast club Monday-Thursday and will be working in Class 1 on a Thursday.

Sadly **Miss M** is leaving us at the end of term to take a year out and travel the world- we hope she makes many memories on this fab adventure!

Mrs Smart & Mrs Neville will be moving to take up the reins of class 4 using their experience and expertise to ensure the best of fun and outcomes in the Landscope 'finishing school'!

I am thrilled to welcome **Mr Luke Ansermoz** as he joins us to be at the helm of Class 3. He comes to us from Bearnas Primary School, having worked within the Trust for the last few years. We hope you will offer him a warm Landscope welcome. Luke will be here to meet the children next week when we run our transition afternoon, allowing all the children to meet their teacher and new classmates. I am sure he will pop out into the playground to say hello!

A message from Mr Ansermoz...

Hello Landscope! I am looking forward to joining the Landscope team in September and building new relationships with staff, pupils, and parents. I am excited to meet the children, explore their interests and motivations and start a wonderful year together. In September, we will begin a new year of adventures and challenges.

Outside of school I enjoy a range of sports such as rugby, Gaelic football and golf. I love to be by the sea and to swim or paddle board. I have a passion for reading and I aim to inspire the children to develop their passions. I hope everyone has a brilliant summer and I look forward to seeing you all in September.

Lastly, but not least, we will be saying a sad farewell to **Mrs Monroe**. Catherine has been with us since October 2019, has supported the children in class 4 and been our chief mini bus driver. Whilst she leaves us, she is not going far as she takes up a post at Harbertonford Primary. We wish her the very best of luck at her new school.

ETHOS, VISION & VALUES

Beeswax wraps:

Thanks to Grace Coles for supporting the Ethos team to make Beeswax wraps to sell at the Summer Fair – children taking action to make a difference!

Miles for refugees:

Thank you all for supporting this important campaign and making generous donations. We raised a total of £299! The children ran an incredible 692 laps of the school field, which works out close to 83km. They are not only sporting superstars but are developing a clear sense of what it means to be a global citizen, supporting others in times of need.

The Grand Opening of our Spiritual Garden

What an incredible space our school community has created! It just goes to show what is possible when people come together with a shared vision, lots of energy and a willingness to volunteer their time. We are extremely grateful for everyone's hard work and all the donations of materials.

Key Stage One have already enjoyed their first Collective Worship in the garden.

Anna Neville.

SAFEGUARDING & ATTENDANCE

If you are concerned about a child's wellbeing, please contact the school or in non-school hours contact MASH on 0345 155 1071.

Our designated safeguarding lead is Mrs Ryder and the deputy safeguarding lead is Miss McFadzean

FOLS

As many of you may be aware the 'Summerfield's' will be leaving us at the end of this term; moving on to pastures new. So where do I start with our thanks to Justina who has been tireless in her support of our school and it's pupils?

Attendance: (Our school target is 96.8%)	
Whole school	91.4%
Class 1	88.2%
Class 2	93.2%
Class 3	96.9%
Class 4	85.6%
Well done to class 3!	

THANK YOU! Doesn't seem to quite cover it!

Justina has quite simply been brill! She has taken the FOLS team through COVID and been imaginative with fund raising ideas which have enabled us to have laptops, various school equipment and books, art and science weeks and supported our requests for extra funds to allow all our pupils to access enrichment activities.

Justina is quite right; this is a vital role which supports the children and teachers at Landscope. Please consider joining the FOLS team and continuing the vital fund raising that supports the children at Landscope.

Huge Thanks Justina!

COMING UP

- 12th July transition day – meet your new teacher for the children
- Friday 15th July School Reports out today
- Friday 22nd July 10am Leavers Service in St Matthew's
- Friday 22nd July Break up 2:00pm for the summer

Have a great weekend.

Jill Ryder.
