

Class 4 Autumn Curriculum Map 2021

English

Working as a writer, we will explore and write in the style of a chapter book, based on the popular book 'Chitty Chitty Bang Bang and the race against time' by Frank Cottrell Boyce. Throughout this book we will embark on an adventurous journey and recognise the effect that a range of grammatical features, such as passive verbs and parenthesis, has on the reader.

We will also be exploring the book 'Darwin's Dragons' which will closely link to our humanities topic.

Science

Working as a scientist, we will be exploring many different aspects of science and working scientifically. We will work on developing our science skills through making predictions and explaining why we think this might be, before testing it for real! We will also be looking at evolution and inheritance; we will investigate how living things have adapted overtime.

Music

In music, we are going to be looking into the music genre of Jazz.

Topic: Darwin, Dynasties and Dragons.

As a historian, we will explore the Shang Dynasty. We will be using new skills to investigate what happened during this time and the affect that it had on our lives today.

As a geographer, we will investigate how climate change is affecting our environment.

As an artist and designer, we will be designing, making, evaluating and extending our technical knowledge by creating our very own Board Game related to our topic. We will express our ideas and evaluate the effectiveness of the designs and materials used as a process of design.

Maths

Working as a mathematician, we will be exploring and building upon our knowledge of place value and recognising the links in our learning as we tackle more complex numbers. Furthermore, we will expand our number knowledge through our topics of addition, subtraction, multiplication, division, fractions and statistics.

Physical Education

In P.E. we will be partaking in some fun and energetic basketball with Mr Tanner. In our second PE lesson, we will be learning all about invasion games and the skills involved in team sports.

RE

This term, we will be exploring the question 'What does it mean to be Muslim in Britain today? We will also be exploring the question: 'Was Jesus the Messiah?', which will also focus on the incarnation.

ICT/Spanish

The first half of the term, we will be identifying systems within computing and recognising the importance of technology in sharing information.

In the second half of the term, we will be recapping and extending our knowledge of numbers, greetings and basic items in Spanish.
