

NEWSLETTER Thursday 11th May 2023

Dear Parents,
It's been a busy couple of weeks – read on for the latest news.

LANDSCOPE LEARNERS MULTI SKILLS SPORTING EVENT

Yet again, **Class One** made their teachers immensely proud with their 'have a go' attitude; kindness to each other; sporting skills and behaviour.

Class 2 also had a fantastic day, the children were enthusiastic, worked well as a team and represented Landscope as true sportsmen and women!

The activities included golf, frisbee, an obstacle course, rugby, volleyball, football and many more. The children were fantastic throughout the day, with lots of smiles on their faces. It was a brilliant way to celebrate sport and PE.

A huge thank you to our year 5 sports leaders, who helped run the activities. Miss Foster & Mrs Woods said they were great ambassadors for Landscope.

Class three have been embracing the weather while they Carefully looked in our local area for habitats and living things. They were particularly looking for invertebrates such as insects, centipedes and worms. The children also looked for different plants. It's amazing how much wild life we are surrounded by!

Class four enjoyed dressing up in red, white and blue, singing songs, dancing and designing Coronation coasters. Thank you, Miss Raymont, for our lovely ribbons and Mrs Grant for making up our country dance numbers - you did a very good job! And an extra big thank you FOLS for our Coronation bookmarks - something to treasure.

ETHOS & VALUES

We have been reflecting on our local environment and the roles we all play in protecting it. We have also been thinking about the role of the monarchy. Some thought-provoking discussions!

Our after-school club have been working hard, getting muddy and having fun!

They've planted carrots, tomatoes, potatoes, onions, beetroot, various beans, strawberries, lettuce, and edible flowers!

The spiritual garden is looking great!

CORONATION CELEBRATIONS

Coronation celebrations were in full swing at Landscope last Friday! The children's bunting designs have brightened up our hall and the winners for each class were announced in celebration assembly. The children all look very traditional in their red, white and blue mufti!

A snapshot of photos from Class 2's trip to Caddaford Farm. The children enjoyed experiencing a working farm, meeting some of its animals, and identifying plants and habitats around the orchard, fields and pond reservoir. A big thank you to Farmer William for having us!

We all know that gaming is a hugely popular activity for a number of different reasons, e.g., socialisation, coping mechanisms, skill building and much more. Many games are not appropriate for children and plenty of parents struggle with this. Internet Matters have put a guide together which details some alternative games beyond the most popular ones and promoting gaming as a family affair. There are games from 3+ upwards so there's something for everyone. You can download the guide here:

WORD OF THE FORTNIGHT ~ Our word this fortnight is: **Ear worm** ~ an ear worm is a song that keeps on playing over and over in your head, even when you try not to think about it.
