NEWSLETTER Friday 16th December 2022

Dear Parents,

The days are getting shorter and darker and Christmas is on the way! The elves are hard at work at the North Pole and I am certain that I have already heard sleigh bells several times late at night! In school, we have been busy right up to the last minute!

FESTIVE FUN

The school has been busy from exploring the wonder of Christmas, to making snowmen, Christmas trees cards and designing jumpers, it's been a fun time. I'm sure the crafts will be shared with you and be hanging somewhere on your Christmas trees!

CHRISTMAS DINNER ...

Was a great success, a delicious feast! There was a real buzz of excitement around the school as the staff provided a waitress service for all the children. Many thanks to Linda, Shirley and Isaac for "pulling out all the stops." Thanks also to FOLS who provided crackers for all the children.

CHRISTMAS JUMPER DAY

Everyone looked very festive on Wednesday, and we raised £157 for Save the Children with our Christmas Jumper event – thanks everyone!

FOLS – a message from Michelle

Wow what a busy term FOLS have had with mufti, second hand clothes / uniform sales, tuck shop, bags 2 school collection, movie night, Christmas cards, tea towels, Christmas Fair and a wreath making evening. Thank you to everyone who has played any role in making these successful events, especially our lovely committee members Lisa and Hayley who really do go above and beyond.

I am delighted to say that the result of everyone's hard work is that FOLS has raised just over £3900 this term which is a fantastic achievement for a school the size of Landscope. Some of these funds have already gone towards Arts week, buying some new musical instruments and crackers for the Christmas dinner, all of which I'm sure the children have or will enjoy.

We already have some events in planning for the New Year but it's safe to say I promise you won't hear from me in January. However, if anybody has any ideas for fundraising events or indeed any ideas with which our school could benefit from the funds raised, do please get in touch with us at fols@outlook.com. Thank you once again and I hope you and your families have a very Merry Christmas and Happy New year, from Michelle.

SAFEGUARDING

Roblox is a massively popular game with children and younger teens and it has recently come under a lot of criticism. It is worth looking at any safety/security settings within the games your children play. A guide to for parents can be found on the link below.

If you are concerned about a child's wellbeing, please contact the school or in non-school hours contact MASH on 0345 155 1071. Our designated safeguarding officer is Mrs. Ryder and the deputy safeguarding officer is Mr. Ansermoz

Thank you all for you do, whether it is related to fund raising, class help or simply trusting us to do the very best for your children when they come to school every day. Long may it stay that way.
