NEWSLETTER Thursday 7th April 2022

Dear Parents and Carers,

Well, we've come to the end of another busy term. I'm sure the children and staff are ready for the Easter break; a chance to recharge ready for the final part of our year. Please read on to see what's been happening during the last fortnight.

LANDSCAPE LEARNERS

Class One

In our Outdoor Explorers learning we have been thinking about busy Spring birds - including how some make returning migrations to the UK, what they eat, how they build their nests and why they sing. We all know how to care for garden birds and understand why we should always be responsible around their nests.

Class three:

Class three were delighted to receive this message from Hannah Dunnett - the artist who inspired their creations.

"Wow!! What fantastic artwork the children have produced! They are absolutely brilliant, and we were thrilled to see the cards!

Please pass on our congratulations to the young artists!
Best wishes, Hannah."

Class 2 have had a blast designing and making their own Tudor house models. They are very proud of their final product! A huge thank you to all parents who donated cardboard boxes to support this. 😊

CLASS 4

I had a lovely day working with Class 4 last week. We used Crumbles and laptops to programme a motor and lights to have a disco for dancing man!

FOLS – a message from Justina

Mufti day will be this Friday 8th April. Donations of £1 per child towards FOLS.

This term we are supporting the final stages of the garden and hope to buy a seated bench for the garden to be enjoyed.

Many thanks to everyone. Without support FOLS would be unable to support the school with these lovely projects.

Bags for school collection will be Friday 29th April.

Please watch out for a FOLS meeting early next term to discuss future events for the summer term.

As always FOLS is looking for new members. If anyone is interested, please contact Justina.

100 CLUB

We are attempting to re-launch the 100 club, sparking new interest and maintaining those veterans amongst us that have been in it forever. Lizzie Cann initially launched this club back in 2013 with the help of her late father. Over the years it has seen many very happy winners and supported the school in terms of funding towards the play trail, iPads, Smart screens for the classrooms, stocked the library and refurbished the arts area to name but a few. This would not have been possible without the continued support and commitment of its members. Please see the letter sent home with children today/yesterday to see how you can join the 100 club and maybe you will be a future winner!

This term the winners have been:

January: Jacqui Aldridge February: Grace Coles March: Emily Ward-Smith

ETHOS, VISION & VALUES: EASTER IN A DAY

Miss Foster's workshop: During Easter in a Day, the children made resurrection (tomb) rolls and forgiveness hands. The rolls were made from cinnamon, sugar, butter, pizza dough and a marshmallow and were a very yummy Easter treat. Whilst they were cooking, we thought about why it is important to forgive others and wrote our ideas on a hand which we then decorated.

Other workshops included-

The Easter story, Easter art, and making Easter gardens. The children had a super day!
